We are pleased to announce our fifth conference (SCMT5) will be held in the UK at Kingston University London.

The conference will be held on 15-17 July 2019, with registration and a welcome reception on 14 July.

### Conference Themes

- Efficient & Sustainable Use of Construction Materials
- Technological Advances for Sustainable Practice
- Designing Structures and Buildings for Sustainability
- Regulatory Framework and Government Initiatives

### Abstract Submission & Key Dates

Abstracts of 200 - 300 words may be submitted online via the conference webpage or via email to:

kingstonuniversityeventsSEC@kingston.ac.uk

- 30 June 2018: Submission of abstracts
- 15 July 2018: Acceptance notification
- 30 November 2018: Submission of draft papers
- 28 January 2019: Paper acceptance
- 11 March 2019: Submission of final papers

**Language:** The conference will be presented in English.

In addition to papers presenting new research, we would welcome tightly focussed review papers based on carefully selected references from the existing literature.

Proposals for special named sessions presenting papers from organisations, departments or research programmes would be most welcome. A minimum of five papers would be required. For more details please email:

kingstonuniversityeventsSEC@kingston.ac.uk

All accepted final papers will be published on the SCMT conference website.

We are pleased to announce...

- The SCMT conference proceedings are indexed by Google Scholar and have been accepted for inclusion in Scopus and EI Compendex.
- Selected papers will be published in international journals.
- Papers from our 2016 conference are in publication in the ASCE Journal of Materials in Civil Engineering and the ICE Materials Journal.
- Internationally renowned honourees will present keynote papers in the plenary sessions.
- There will be tours to Hampton Court Palace and other London attractions.
- The accompanying persons’ programme will run on each day of the conference and will include visiting local attractions, attending shows and shopping.

Click [here](#) to see details of the currently participating journals, honourees and sponsors.

Visit the [SCMT conference series website](#) for details of past conferences and papers which you can download or purchase as volumes of proceedings.

### Current Sponsors

The conference is sponsored by international societies, including and CSCE (Canada) and ACI (US).
Kingston University London is based in Kingston upon Thames, a busy riverside town on the boarders of London and Surrey in the United Kingdom. You can drive to Kingston University within 40-50 minutes from either airport.

Nearest Airports:
- London Heathrow (LHR)
- London Gatwick (LGW)

Directions to the University:
You can find directions by rail, bus and road via the university’s [webpage](#).

The conference will be run by our host, Professor Mukesh Limbachiya (M.Limbachiya@kingston.ac.uk) along with conference organisers Professor Eshmaiel Ganjian (e.ganjian@coventry.ac.uk) and Professor Peter Claisse (pete@claisse.info).

**INTERNATIONAL ADVISORY COMMITTEE MEMBERS:**
- Professor Tarun Naik, University of Wisconsin, USA
- Professor Antonio Nanni, University of Miami, USA
- Professor Jin-guang Teng, Hong Kong Polytechnic University, Hong Kong, China
- Professor Nader Ghafoori, University of Nevada, USA
- Professor Syed Faiz Ahmad, Lievense Arabia, Saudi Arabia
- Professor Tim Ibell Freng, University of Cambridge, UK
- Professor Venkatarama Reddy B.V., Indian Institute of Science Bangalore, India

Sponsorships are requested to support the conference. All sponsors will be recognised during the session events.

**Exhibitions / Trade Fair**
There will be a concurrent exhibition relating to the subject area and this trade fair has been the focal point at the events in the past. This will provide an opportunity for concrete manufacturers, materials suppliers, contractors, publishers, research, educational and professional institutions/companies to display their latest products and services in the field related to the conference themes.
