We are pleased to announce our fifth conference (SCMT5) will be held in the UK at Kingston University London.

The conference will be held on 15-17 July 2019, with registration and a welcome reception on 14 July.

**Conference Themes**

- Efficient & Sustainable Use of Construction Materials
- Technological Advances for Sustainable Practice
- Designing Structures and Buildings for Sustainability
- Regulatory Framework and Government Initiatives

**Abstract Submission & Key Dates**

Abstracts of 200 - 300 words may be submitted online via the [conference webpage](#) or via email to: [kingstonuniversityeventsSEC@kingston.ac.uk](mailto:kingstonuniversityeventsSEC@kingston.ac.uk)

- 14 August 2018: Submission of abstracts (extended)
- 28 August 2018: Abstract acceptance notification
- 30 November 2018: Submission of draft papers
- 28 January 2019: Paper acceptance
- 11 March 2019: Submission of final papers

**Language:** The conference will be presented in English.

In addition to papers presenting new research, we would welcome tightly focussed review papers based on carefully selected references from the existing literature.

Proposals for special named sessions presenting papers from organisations, departments or research programmes would be most welcome. A minimum of five papers would be required. For more details please email: [kingstonuniversityeventsSEC@kingston.ac.uk](mailto:kingstonuniversityeventsSEC@kingston.ac.uk).

All accepted final papers will be published on the [SCMT conference website](#).

We are pleased to announce...

- We have received abstracts from 30 countries so far. Therefore, this Fifth International Conference will again be a truly international event.
- In response to a number of requests, we have decided to extend the submission date for abstracts to the 14th August 2018 and are still happy to receive quality submissions.
- We are pleased to announce sponsorship for this conference from the Institution of Civil Engineers (UK), the Canadian Society of Civil Engineers, the American Concrete Institute and the American Society of Civil Engineers:

Visit the [SCMT conference series website](#) for details of past conferences and papers which you can download or purchase as volumes of proceedings.

**Sponsorship**

Sponsorships are requested to support the conference. All sponsors will be recognised during the session events. There are several categories of sponsorships - for further information please email: [kingstonuniversityeventsSEC@kingston.ac.uk](mailto:kingstonuniversityeventsSEC@kingston.ac.uk).

**Exhibitions / Trade Fair**

There will be a concurrent exhibition relating to the subject area and this trade fair has been the focal point at the events in the past. This will provide an opportunity for concrete manufacturers, materials suppliers, contractors, publishers, research, educational and professional institutions/companies to display their latest products and services in the field related to the conference themes. For further information or to reserve an exhibition space: 

kingstonuniversityeventsSEC@kingston.ac.uk

**Organisers**

The conference will be run by our host, Professor Mukesh Limbachiya (M.Limbachiya@kingston.ac.uk) along with conference organisers Professor Eshmaiel Ganjian (e.ganjian@coventry.ac.uk) and Professor Peter Claisse (pete@claisse.info).

**INTERNATIONAL ADVISORY COMMITTEE MEMBERS:**

- Prof. Tarun Naik, University of Wisconsin, USA
- Prof. Antonio Nanni, University of Miami, USA
- Prof. Jin-guang Teng, Hong Kong Polytechnic University, Hong Kong, China
- Prof. Nader Ghafoori, University of Nevada, USA
- Prof. Syed Faiz Ahmad, Lievense Arabia, Saudi Arabia
- Prof. Tim Ibell Freng, University of Cambridge, UK
- Prof. Venkatarama Reddy B.V., Indian Institute of Science, Bangalore, India

**TECHNICAL COMMITTEE MEMBERS:**

- Prof. Ali Akbar Ramezanianpour, Amirkabbir University of Technology, Iran
- Prof. Antonio Nanni, University of Miami, USA
- Prof. Antonio Teleasca, Basilicata University, Potenza, Italy
- Dr. Bruce W. Ramme, We Energies, Wisconsin, USA
- Dr. Charles Weiss, USACE Engineer Research & Development Center, Mississippi, USA
- Prof. Chris Cheesman, Imperial College, London, UK
- Prof. Chun Qing Li, RMIT University, Melbourne, Australia
- Dr. Fethullah Canpolat, Yildiz Technical University, Istanbul, Turkey
- Prof. Harald Justnes, SINTEF Building and Infrastructure, Norway
- Prof. Hiroshi Yokota, Hokkaido University, Japan
- Prof. Jamal Khatib, Beirut Arab University, Lebanon
- Prof. John Forth, University of Leeds, UK
- Prof. Julia Stegmann, University College London, UK
- Prof. Kamal Khayat, Center for Infrastructure Engineering Studies, Missouri, USA
- Prof. Konstantin Kovler, Technion Institute of Technology, Israel
- Dr. Konstantinos Papadikis, Xi’an Jiaotong-Liverpool University, Suzhou, China
- Prof. Marios Soutsos, Queen’s University, Belfast, UK
- Prof. Mark Tyer, Built & Natural Environment Research Centre, Coventry, UK
- Prof. Milena Marroccoli, Basilicata University, Potenza, Italy
- Prof. Moncef Nehdi, Western University, Canada
- Prof. Nemkumar Banthia, University of British Columbia, Canada
- Prof. Pietro Lura, Swiss Federal Laboratories for Materials Science and Technology, Dübendorf, Switzerland
- Prof. Sunny Nwaubani, University of the Witwatersrand, South Africa
- Mr. Syed Faiz Ahmad, Chief Structural Engineer at Saudi Oger Ltd, Saudi Arabia
- Prof. Tony Parry, Nottingham Transportation Engineering Centre, UK

For all conference queries please visit the SCMT conference website or send us your query via email: kingstonuniversityeventsSEC@kingston.ac.uk

**Accommodation**

The Conference Organising Committee is currently negotiating specially discounted rates for delegates.

Details of these will be included in the Conference Advance Programme - to be circulated in mid 2018.

**Travelling to Kingston**

The university is based in Kingston upon Thames, a busy riverside town on the boarders of London and Surrey in the United Kingdom.

You can drive here within 40-50 minutes from either of the following airports: London Heathrow (LHR) or London Gatwick (LGW). You can find directions by rail, bus and road via the university’s webpage.
